Vs.

Motion to Seal Records filed on behalf of the Pasco County Clerk of Court, Paula O’Neil

MOTION TO STOP THE SEALING OF PHILLIPS O’NEIL’S RECORDS

NOW COMES, Roberta Cutting (Cutting), who is filing this motion for the purpose of stopping the sealing of records of the Pasco County Clerk of Court’s son, Phillip O’Neil.

On June 21, 2016, Cutting went into the East Pasco Records Center of the Pasco Clerk’s Office on McDonald Street in Dade City, Florida for the purpose of viewing public records, which included Phillip O’Neil who was arrested and charged with a DUI and that was the record Cutting asked to view.

Cutting requested the records with Maritza Torres and she stated that Phillip O’Neil’s record was on the West side so I asked for the record to be sent over on the East side. Torres stated that the record would not be available to view until the following day, in the afternoon.

Cutting called Torres that afternoon on June 22, 2016 to see if the record was there to view. Torres stated that Cutting could not view Phillip O’Neil’s record as it was under Judicial Review. Torres would not give Cutting any more information than that and so Cutting called the West side criminal traffic department and was told that Dennis Alfonso, which is Paula O’Neil’s attorney filed a motion to seal the record.

Cutting then went down to the East Pasco Courthouse and spoke to Carol Condry in the criminal traffic department on the second floor to find out what

Dennis Alfonso
Attorney
Pasco County, Florida

was going on with the file and Condry said it was under judicial review to seal not only Phillip O'Neil's DUI record, but also they wanted to seal all of Phillip O'Neil's records.

The only reason to seal Phillip O'Neil's DUI or any other records of Phillip O'Neil is to hide information that Paula O'Neil does not want the public to know. Therefore, Cutting is asking the court not to grant the sealing of the records as Phillip O'Neil's records should NOT be sealed any more than any other person's records should not be sealed when it is public records.

If this court grants the sealing of Phillip O'Neil's records, then the judge sealing the record is telling the whole world just how corrupt Pasco County's Courts are.

WHEREFORE, Cutting is once again asking this court not to seal Phillip O'Neil's records as the only reason to seal them is to hide information that Paula O'Neil does not want the public to know and if this court goes along with sealing the records, this court will further prove the corruption that is going on in Pasco County Courts.
